XPT-50 Speed Bump Kit 50mm

Features:

- Highly durable speed bump made from 100% pure vulcanized rubber.
- Each mid-section fitted with cat's eye reflectors to aid night-time vision.
- Features built-in connectors which give unrivaled stability.
- Precisely moulded with long lasting deep grooves to providing additional grip for tyres.
- Assembled with yellow & black mid-sections along with two rounded end-caps.
- 13 length options available, beginning at 2.4 metres.
- M10 x 110mm coachscrew & rawplug fixings included, suitable for tarmac or concrete.
- XPT-50 is colour fast - proven to maintain colour and condition over time.

Benefits:

- Easy installation.
- Highly visible during the day or night.
- Ideal for enforcing speed limits and calming traffic in your area.
- Economical option. XPT-50 durability results in money saved on replacement.
