

Product Specification Sheet

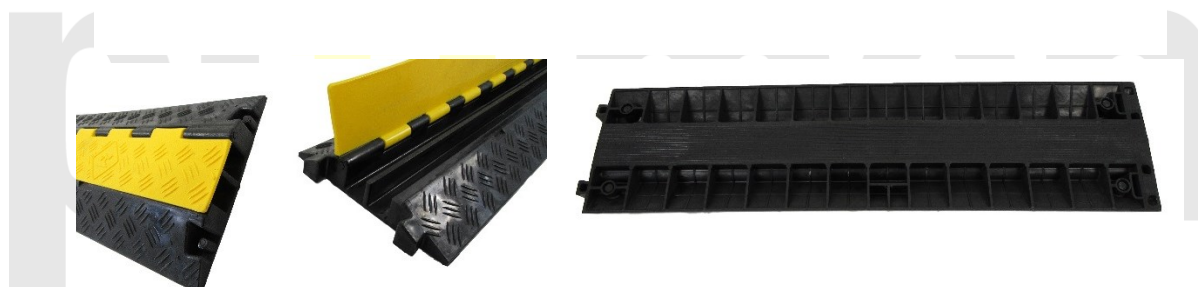

Product name: CR2 Pedestrian Cable Cover

Ideal for pedestrian use or occasional light vehicle traffic. The CR2 comes with a strong lid for added protection of the cables and trip prevention. If the cover is to be left unattended we suggest sealing the lid shut by use of a silicone / glue – depending on site risk assessment.

2 Channels each 32 x 35mm

Product code *Model*

756352 CR2 Pedestrian Cable Cover
