- ✓ **ADAPTABLE**
- ✓ **HIGHLY DURABLE**

RIDGEBACK[®] **SPEED RAMPS**

REFLECTIVE SPEED RAMP WITH A DISTINCTIVE DESIGN

The NEW Ridgeback[®] Speed Ramp is designed to reduce vehicle speed and improve safety conditions in residential and commercial areas. The product's distinctive design and the angle of retro-reflective elements optimises interaction with vehicle headlamps to improve visibility. The latest high performance polymer technology conforms to requirements of BS EN 1436:2018 and durability requirements of BS EN 1824:2011.

RIDGEBACK® FEATURES

✓ INTERLOCKING

- Effective interlocking system for easy connectivity and maintains stability before and after assembly.

✓ REFLECTIVE

- Increased area of reflectivity compared to traditional styles of speed ramp.
- Innovative approach of using thermoplastic retro-reflective elements with glass beads incorporated within to make the product more robust.

✓ HOSE/CABLES CHANNEL

- 4cm x 2cm channel on the underside of end caps to accommodate cables safely through the speed ramp.
- Cables running through end caps complete the overall finish of the product and maintains cable stability.

✓ EASY TO ORDER & ASSEMBLE

- Both speed ramps and end caps are symmetrical in design to ensure easier ordering for customers.
- Easy to assemble with optional additional anchor points for improved stability.

✓ DISTINCTIVE DESIGN

- Developed to reduce vehicle speed, improving safety conditions in residential and commercial areas.
- Design optimises visibility for road users maximising performance.

✓ RAMP OPTIONS

- 5cm – Aimed to reduce speed to a maximum of 10mph/16kph.
- 7.5cm – Aimed to reduce speed to a maximum of 5mph/8kph.

SIMPLE BUT EFFECTIVE

LEFT OR RIGHT BLACK & YELLOW

The Ridgeback® has been developed to incorporate both colours into one speed bump and each end cap. The simple design also allows each end cap to be used for either end of your speed ramp for convenience.

10MPH & 5MPH RAMPS / BOLTS

HAX002-125-300	10mph Speed bump (single)	H 5cm, L 50cm, W 40cm, 8.2kg		Qty 1
HAY002-825-300	10mph End cap (single)	H 5cm, L 20cm, W 40cm, 4.5kg		Qty 1
HAX002-135-300	5mph Speed bump (single)	H 7.5cm, L 50cm, W 40cm, 16kg		Qty 1
HAY002-835-300	5mph End cap (single)	H 7.5cm, L 20cm, W 40cm, 9kg		Qty 1
HAH000-000-000	Pair of concrete application fixings			Qty 1
HAJ000-000-000	Pair of asphalt application fixings			Qty 1
