

Classic Brush

Entrance Mats • Indoor/Outdoor

Classic Brush mats feature extra-course nylon fibers blended with traditional nylon carpet fibers. This duo of fibers is designed to create excellent scraping and wiping action for maximum soil-stopping power.

- Coarse nylon fibers combined with traditional solution dyed fibers create excellent scraping and wiping action for maximum soil reduction.
- LUTRADUR™ primary substrate will not fray, reduces linting and provides a strong bond between the rubber and carpet.
- 100% Nitrile EXS™ Rubber backing is chemical, grease and oil resistant and prevents cracking and curling.
